Meeting location; Please have all participants follow the signs to the main terminal exit (towards baggage claim) they will have to take a subway type train from their arrival terminal either A,B,C to the main terminal. We will meet all participants immediately outside of the secure airport area as they exit the subway and come up the escalator to the main terminal (there will be a lot of people in this area waiting to pick up others). The participant should look for OWA t-shirts and hats and/or call the phone number provide by OWA of the person picking up participants at the airport that day. If they don't find the OWA person within 10-20 min have them proceed to their baggage claim area and we will look for them there. Lastly have them page the OWA guides on the white courtesy phones and call Basecamp at 719-748-3080.
